#### **DATES / PROCESS OF CONFIRMATION OF QUALIFICATION SLOTS**

By 21 May 2012, each NPC must confirm in writing (fax and e-mails are accepted) to FISA the number of qualification slots they will use from those they have obtained. NPCs that have not replied by this date will lose their qualification slots, and FISA may reallocate these slots to other NPCs.

By 25 May 2012, FISA will confirm in writing (fax and e-mails are accepted) the redistribution of any unused slots to other events and their reallocation to NPCs.

By 25 May 2012, it is officially declared that the respective NPCs will use the allocated quota granted for the London 2012 Paralympic Games. Any NPC that does not use some or all of the qualification slots allocated may be subject to sanctions by the IPC.

### **REALLOCATION OF UNUSED QUALIFICATION SLOTS**

Any qualification slots that are not used by an NPC will be reallocated to the next highest ranked and not otherwise qualified NPC at the respective competition (i.e., 2011 World Rowing Championships or 2012 Final Paralympic Qualification Regatta) or redistributed to a different event (if applicable).

Should it not be possible to reallocate the unused qualification slots in the above methods, they will be reallocated at the discretion of the FISA Executive Committee in consultation with the IPC.
