Sport rules and procedures

The fastest eight swimmers or relay teams from the heats in each event will qualify for the final.

In relay events, teams may change the members of their team and the order of their swimmers between heats and finals, provided all rules for eligibility are met.

The seedings for heats and finals will be decided in accordance with article 2.7 (seeding of heats and finals) of the International Paralympic Committee (IPC) Swimming rules and regulations.

Tiebreak rules

In the event of a tie for the eighth qualification place for a final, athletes or teams will participate in a swim-off (or another method, according to the rules agreed). If eight or fewer swimmers or teams enter an event, then provided the event is considered viable, a straight final will be held without the need for heats.

The swimming competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- IPC Swimming Rules and Regulations 2014–2017 (available at www.paralympic.org/swimming)
- The IPC Handbook (available at www.paralympic.org/the-ipc/handbook)

IPC Swimming, working with Rio 2016 competition management, will be responsible for the technical control and direction of the swimming competition at the Rio 2016 Paralympic Games.

Changes since the London 2012 Paralympic Games

Mixed relay events have been introduced for the Rio 2016 Paralympic Games. More events for athletes with high support needs have also been introduced.

Differences from the Olympic Games

The same rules as the International Swimming Federation (FINA) are used with some modifications.

There are no semifinals at the Paralympic Games.

Athletes are not permitted to use any kind of prosthetics or assistive devices when competing. However, visually impaired athletes are allowed to use a 'tapper' to indicate when the wall is approaching to ensure a good finish or turn. Team officials hold the 'tappers' and touch the athletes with the device when required.

Athletes who compete in the S11 sport class (with the most severe visual impairments) must compete with blackened goggles.

Optional starting platforms and in-water starts are also available for some athletes.
