NPCs may additionally enter an unlimited number of 'MQS-only' athletes (athletes are eligible to obtain qualification scores to be recognised for MQS, but cannot progress to the event final or obtain direct quota allocation, records or rankings). However, in case of insufficient firing points this number may be restricted by World Shooting Para Sport, in a timely manner. When entering more than 4 athletes to an event via the Online Entry System, the NPC should contact World Shooting Para Sport after making the online entries, confirming which athletes are to be entered as 'full' entry and which as 'MQS-only'.

## 7 Viability of Events

Individual events are considered viable if they have athletes from four (4) countries entered through the Entry by Number. Team events will be considered viable if they have a minimum of three (3) eligible NPCs entered through the Entry by Number. Otherwise the event is not considered viable and will be cancelled. In cases where only 3 teams participate, medals will be awarded according to the minus-one rule.

## 8 International classification

International Classification will be conducted on September 2017. A detailed classification schedule will follow after the revision of the final entries by World Shooting Para Sport.
