Informations of the city

Bessans

Under the benevolent attention of the Charbonnel glacier, in a remarkable mountain setting, its vast northern plateau and its many hamlets with traditional architecture are an invitation to travel constantly renewed ...

Famous for its legends around its devil carved wood, Bessans is above all an international high place of biathlon. Bessans is also one of the most famous Nordic domains in the Alps. On skis, on foot or on snowshoes, this vast plateau of altitude at the same time technical, pleasant and perfectly arranged will delight you by its expatriation and its natural majesty.

Activities

- Nordic domain (1750 m): 133 km of tracks, 4 footpaths and snowshoes, 1 track for pulka.
- Haute Maurienne Vanoise de Biathlon International Stadium: Biathlon introductions, seasonal events.
